TERMS AND CONDITIONS

WITNESSETH: That in consideration of the payment by The Finance Company to the respective insurance company(ies), or their agents, of the balance of the premiums upon the policy(ies) of insurance herein before described above (which policy(ies) have been issued and delivered to the Insured at his/her request), the Insured promises to pay to The Finance Company the amount shown in the completed schedule on page 1 under the caption "Total of Payments," with Finance Charge (service charge) thereon as in said Schedule provided; and the Insured agrees with The Finance Company as follows:

1. The Insured assigns as security for the total amount payable hereunder any and all unearned premiums and dividends which may become payable under the policy(ies) listed on page 1.

2. The Insured hereby irrevocably appoints The Finance Company as its attorney-in-fact with respect to the policy(ies) listed on page 1 and grants The Finance Company full authority to cancel all insurance policy(ies) listed in the event of non-payment. The insurance company(ies) listed on page 1 are hereby authorized and directed, upon the request of The Finance Company, to cancel said policy(ies) and to pay the Finance Company the unearned or return premium(s) thereon without proof of default hereunder or breach hereof or of the amount owing hereunder. Unpaid balances due to The Finance Company shall be immediately payable by the Insured if any of the following occur: a) The Insured does not pay any installment according to the terms of this agreement; b) The Insured does not comply with any of the terms of this agreement; c) The Insured or the Insurer voluntarily or involuntarily becomes the subject of a bankruptcy, receivership or any other kind of insolvency proceeding; d) if the Insured is a business and stops doing business or ceases to be qualified to do business. The Finance Company at its option may enforce payment of this debt without recourse to the security given to The Finance Company. In addition, the Insured appoints The Finance Company its attorney-in-fact to endorse its name to any check or draft for all monies that may become due from the insuring company(ies). Upon cancellation of an insurance contract, the insurer shall return whatever gross unearned premiums are due under the insurance contract to the insurance premium finance company for the account of the insured or insureds as soon as reasonably possible, but in no event shall the period for payment exceed 60 days after the effective date of cancellation. In the event that the crediting of return premiums to the account of the insured results in a surplus over the amount due from the insured, the insurance premium finance company shall refund such excess to the insured within ten days of receipt of the returned premium from the insurer provided that no refund shall be required if it amounts to less than \$1.00. The Insured shall remain liable for any deficiency together with interest thereon at the highest allowable legal rate.

3. If policy is not issued at the time this agreement is executed, the Insured gives The Finance Company authority to fill in the name of the insuring company, policy number and the due date of the first payment. The Insured understands and agrees that if the actual premiums are other than as indicated, this agreement may be amended to reflect the actual premiums, amount financed and finance charge, and that the Insured will make an additional down payment, if required, with ten (10) days' notice thereof.

4. The Insured agrees that default in payment of any installment hereof for a period of ten (10) days shall be deemed a default in the contract, and the total amount due under the contract shall be due and payable. Not less than 15 days' written notice shall be mailed to the insured, at his last known address as shown on the records of the insurance premium finance company, of the intent of the insurance premium finance company to cancel the insurance contract or contracts unless the default is cured within such 15-day period. In the event that after giving the prescribed notice, the default is not cured within the 15-day period, the insurance premium finance company may cancel the insurance contract or contracts by mailing a notice of cancellation to the insurer. The Insured agrees to pay a reasonable attorney fee not to exceed 20% of the amount due and payable under this agreement if it is referred for collection to any attorney not a salaried employee of The Finance Company.

5. No waiver by The Finance Company of any default shall be construed as a waiver for any other subsequent default nor impair or affect any rights or for non-payment.

6. Time being the essence of this contract, upon default in any payment hereunder, and such default continuing for ten (10) days, the Insured agrees to pay a delinquency and collection charge of 5% of scheduled payment, but never less than one dollar (\$1.00) on each installment in default. The Insured understands and agrees that default in payment of any installment hereof for a period of twenty (20) days shall be deemed to be a request for cancellation of the policy(ies) listed on page 1.

7. The Insured will receive a refund credit of part of the finance charge if the Insured voluntarily prepays the outstanding debt in full before the last installment due date, in accordance with applicable state laws. The Insured may also receive a refund credit of part of the finance charge if the maturity of the loan is accelerated for any reason in accordance with applicable state laws. The methods for computing these refund credits are stated below.

a) Voluntary Prepayment -

(i) If prepayment in full is made the insured will receive a refund credit, which refund credit shall be computed pursuant to the actuarial method. Actuarial method means the method of allocating payments made on a debt between the amount financed and the finance charge pursuant to which a payment is applied first to the accumulated finance charge and any remainder is subtracted from the unpaid balance of the amount financed. Where the amount of the refund credit is less than \$1.00, no refund need be made.

(ii) All contracts shall be subject to a minimum finance charge of \$10.00.

(b) Acceleration of Maturity -

If payment of the unpaid balance of the loan to The Finance Company is accelerated for any reason, The Finance Company shall make the same refund as if this loan contract was paid in full on the date of acceleration. Paragraph 7(a) states the method of computing the refund or credit. The unpaid balance remaining after subtracting the refund or credit shall be treated as the unpaid principal balance. The Insured agrees to pay The Finance Company on the unpaid principal balance interest computed at the agreed rate of charge stated at the end of this Agreement until The Finance Company is actually paid in full.

8. The Insured hereby releases and discharges and agrees to hold harmless The Finance Company and each holder hereof, their officers, agents and employees from any liability or cause of action by reason of any cancellation, when such cancellation is in conformance with the provisions of the Statutes of the State in which the Insured resides. Under no circumstances shall the Finance Company be subject to any liability in excess of the principal balance, except for Finance Company's willful acts. The Insured agrees that any payment received after cancellation will be applied to reduce the indebtedness and will not reinstate the policy where cancellation notice has been mailed by The Finance Company. The Finance Company, at its option, may request reinstatement of the policies when such payments are received, however reinstatement is up to the insurance company, at its sole discretion.

9. In the event that a payment made by check, ACH, or draft is returned because of insufficient funds to pay it, the Insured agrees to pay The Finance Company a charge of fifteen dollars (\$15.00) if permitted by law, or the maximum permitted by law, and such amount will be added to the stated amount of the contract and shall become subject to all provisions herein.

10. This contract is subject to approval and acceptance by The Finance Company and if not approved and accepted it is to be promptly returned. Issuing checks for the policy(ies) listed on page 1 to the agent or insurer or paying a draft will be considered acceptance.

11. This contract may be assigned and the holder or assignee has the same rights as The Finance Company.

12. Please take notice that The Premium Finance Company named on the front of the contract, in consideration of premium advances made or to be made, holds an assignment of all unearned premiums on the above-described policy(ies), including power of attorney to cancel. The Finance Company assumes that this Notice of Assignment is acceptable and the information on the front of the contract is correct.
